During His earthly sojourn, the Lord Jesus worked as a carpenter while He was waiting on God's timing to be crucified. This vocation was harder work in those days than it is today. Jesus had no power tools to aid Him. He did everything by hand. Those same hands that became blistered in the carpenter shop eventually became nailed to a wooden cross for **YOU**. After dying on that cross He arose from the dead, and those same hands are reaching out right now to save any who will respond to His invitation. Although He had no power tools, He has the power to deliver us from sin.

HOW TO BE SAVED

Repent of sins of the past-Luke 13:3

Place your faith in Jesus only-Eph. 2:8-9

Surrender to Jesus as Lord-Rom. 10:9
